BEVERLY ENTERTAINERS

What will probably be the most attractive of all the delightful entertainments given under the auspices of the High School Lyceum Committee this season, will be Wednesday evening when the Beverly's, a troupe consisting of four brilliant young ladies who have become artists in their respective roles, will appear. They sing, read, play mandolins, guitars, give musical sketches in attractive costumes and thus offer a most delightful program.

Tickets are being offered for sale by students at the extremely low price of thirty-five cents, and every lover of good music should take advantage of this rare opportunity of hearing an "All-Star" company.

ADD MILLINERY DEPARTMENT

The Rogers Co., "Outfitters to Women," have added a millinery department to their store and are now showing a large and comprehensive line of Gage pattern hats. These are the very latest creation in ladies' headwear and embody all the advanced spring styles. Gage hats are recognized by women as equivalent to Stetson and Knox makes in men's hats. An inspection is invited.

MUCH GOOD ACCOMPLISHED

Merchants Say That Pay-Up Week is Starting Off in Most Satisfactory Manner.

National Pay-Up Week is now on in full blast and the merchants say that so far, they are satisfied with the results, and that if the good work started will keep up for the balance of the week that they will be satisfied with the campaign.

Secretary John S. Frazer was busy all last week circulating the various signs, stickers, cards, etc., and large quantities were distributed throughout the county.

All the merchants interested in the campaign will make special efforts to settle their accounts with other merchants and urge the people to come in and settle with them so they will be enabled to do this.

We believe this is one of the biggest things ever launched in this city where the cost to each party was so small.

Be a booster and come in and pay-up and thus help to pass prosperity around.

DO IT NOW

This is Pay-Up Week—Go settle with the merchant, he needs the money to pay his bills.

NEW CORPORATION

Messrs. R. Q. Drake, J. H. Brunner and T. H. Brunner have formed a corporation with a capital stock of \$4,000.00, fully paid, to be known as the Brunner Shoe Company and will engage in the same line of business Mr. Brunner has been conducting for some years. The corporation, however, will increase the stock, adding gent's furnishing goods and other lines and will carry a strictly up-to-date stock.

All these gentlemen are deservedly popular and we predict for this new enterprise a successful business.

IMPROVING STORE

WILL CENTRAL FAIRS BE IN A CIRCUIT THIS YEAR?

A meeting has been called by W. Hoffman Wood, Secretary of the Montgomery County Fair Association to be held in Winchester at the Brown-Proctoria Hotel on Thursday, March 9th, at 12 o'clock noon, for the purpose of effecting an organization to hold a ten weeks' circuit of fairs and trotting meetings in Central Kentucky. Much interest is being manifested in the movement and a good attendance is looked for. It is hoped to have the following cities in the circuit: Mt. Sterling, Winchester, Berea, Danville, Lexington, Georgetown, Eminence, Sanders, Falmouth, Grayson and Ashland, and the State Fair at Louisville. An invitation is extended to all of those who are interested in saddle and harness horses, mules, jacks, ponies, jennets, or any kind of show stock, and trotters, pacers and running horses to attend the meeting. It is believed that the circuit can be organized with little effort and that it will be worth thousands of dollars to the horse interests in Kentucky. Years ago this section of the state was in the old Blue Grass Fair circuit and had some of the best races and fairs that have ever been given in the state, and there is no reason why the same thing cannot be seen again all over Central Kentucky.

"Mutt and Jeff" Friday.

Mr. Gus Hill's big production of "Mutt and Jeff in College" will be presented at the Tabb Theatre next Friday evening, Feb. 25, for one night only, presenting "Mutt and Jeff." Mr. Richard Freeman as "Mutt" and Danney McCormick as "Jeff," are supported by an all Metropolitan cast. "Mutt and Jeff in College" has proven the success of them all this season and with the clean comedy presented and the wholesome frolics of these two characters proves most pleasing. The management of the Tabb Theatre requests that seat reservations should be made early as mail orders will be given prompt attention as soon as received. "Mutt and Jeff" will undoubtedly be the most popular attraction to appear here this season and the management of the Tabb Theatre absolutely assures the public that this production will prove most pleasing and entertaining in every detail.

USEFUL JUSTICE

We met Judge C. C. Turner, of the Court of Appeals, Monday, and when we asked him what the Legislature was doing, he declared that he could not keep up with that branch of the government. We thought that a very diplomatic way to avoid saying that it was doing nothing worth while. The judge is attending strictly to his branch of the government and is making a useful justice.—Clark County Republican.

SEASON IS NEARLY OVER

Not a Great Deal of Tobacco is Left but All Houses are to Remain Open.

Although the market is nearly over, all the three leaf houses in this city will remain open and continue to have sales as long as there is any tobacco coming in. Something over seven million pounds have been sold and it is thought that Mt. Sterling will again rank third among the loose leaf markets of the state. Last year there was something over eleven million pounds sold but tobacco did not weigh anything like as heavy this year and all things considered the market was satisfactory.

We heard no complaint as to the treatment received at any of the houses, everything being conducted in a high class, business like manner. From the last report obtained Monday morning the three houses have sold a total amount of 7,077,678 pounds for a total of \$746,602.78, a straight average for the entire season of \$10.54. The sales are divided as follows: Farmers' house, 3,278,838 pounds, average \$10.04; Whitehall, 2,674,700 pounds, average \$10.50; Robertson, 1,124,140 pounds, average \$10.86.

SHOE STYLES

The style of your footwear this spring season is very important. Every woman should pay marked attention to the style of her shoe. Our Mr. William Oldham has just returned from the East where he has been buying spring slippers. He finds a marked tendency toward the use of white in footwear. This season canvas will be used extensively, but WHITE WASHABLE KID seems to be a favorite in the better grades. He purchased for our department beautiful numbers in both Canvas and White Washable Kid. A big favorite in the novelty line will be PEARL GREY KID. The great obstacle is the scarcity of the leather. By being represented in the market just at the critical moment we were able to obtain a limited number of pairs of PEARL GREY KID. We feel that we were fortunate in obtaining these for you.

Bronze and Brown Kid are spoken well of in the novelty line. We have purchased distinct and unusual styles in both these leathers. In patent and dull leathers plain pumps lead in popularity. We have a surprise for you in the form of an unusual number in Patent.

We hope to see you in our Shoe Department early. You will profit by calling soon as you can.

Respectfully,
A. B. OLDHAM & SON.
